AWARDS AND HONORS

SCAD Dean's list | 2013 - 2017, 2019 -

EXPERIENCE

HEXBUG

Motion Graphic Design Intern | JAN 2021 - SEP 2021

Working with the video team to create 2021 VEX robotic competition conference video, and was responsible for design in animation. In addition, I worked closely with the team and participated in filming the Youtube videos and advertisements to adding motion graphics to the videos.

SCAD Port City Review 2021

My illustration 'Spellbook' is selected to be part of the SCAD Port City Review art journal; curated by students, Port City Review features students' very best work across all majors. I express and illustrate my idea using procreate.

CoMotion 2021

Graphic Designer | Nov 2020 - Mar 2021

Collaborating with various student designers to create new branding of the Comotion 2021. Working closely with the graphic design team for all the parts needs graphic design from title cards, type study, and more. Working closely with the experimental team to give better ideas and do close critics for better teamwork.

Kimchi 2 restaurant advertisement

Motion Designer | 2017, Savannah, USA

Coordinate directly with the client to choose the food to put in the advertisement and plate setting for photography. With close work with the clients, learn how the process of advertising works.

Encore (Student film)

Project Colorist | 2014

Directed by Jerry Suh

Work closely with the director on the color for the main and sub-characters using photoshop for cel animation.
